

A thin, light purple line that starts from the left edge, loops upwards and to the right, and then curves downwards towards the top right corner of the slide.

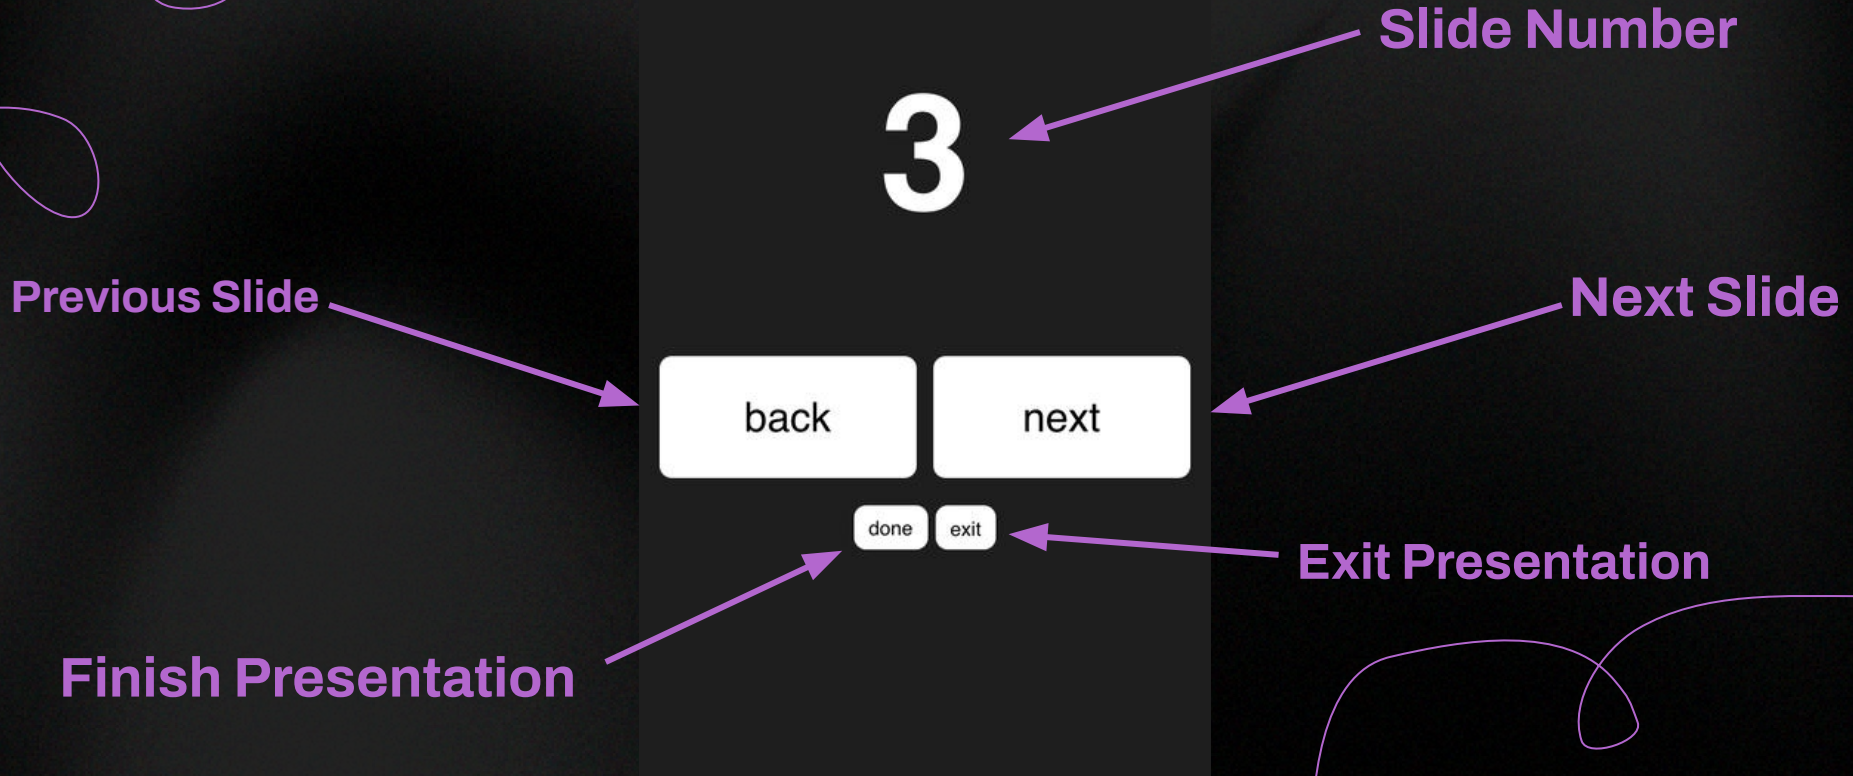

How was it built?

- Brainstorming
- Division of tasks
- Svelte and node.js
- Websocket layers
- Socket.io

**MOST IMPORTANTLY: The power of
friendship!**

A thin, light purple line that starts from the bottom right, loops upwards and to the left, and then curves downwards towards the bottom left corner of the slide.

Phone Screen

Challenges we ran into:

- Creating concurrency (buttons and slides working simultaneously)
- Managing server states
- Learning the lingo and intricacies of webdev

Worst of all: doing web dev...

The background is dark with several thin, light purple lines that swirl and loop around the text, adding a decorative touch.

**Slide
Smoothly
with Clide!**
